

Sermon Questions for Community Groups

Sermon: Compassion Sunday

Date: May 7, 2017

Scripture: Philippians 1:3-5

1. What is the heart of Christianity? Is this how you understand Christianity?
2. What is Apostle Paul so thankful for?
3. What does “partnership in the gospel” look like in your life?
4. Our media often divides news into two different types: hard and soft news. Christianity is hard news. Why? How does our understanding of this help us share the good news with others?
5. Does the good news of Jesus Christ thrill you? Are you captivated by it? Why or why not?
6. "You talk about what you love most." What do you talk about most? What do you spend most of your currency on (money, energy, time)?
7. Churches in Ecuador that are working with Compassion are seeing explosive growth. There are many stories of people talking about how much the church loved them and they then came to Christ. How can we love and serve the people in our community so that they might say the same thing? What are the needs of the community around us?
