4. Why was such an extreme act - Jesus being slaughtered - required to bring people back to God? Why can't God just forgive us?
5. What happened on the Day of Atonement?
6. What causes you to doubt the love of God?
7. "Love is always proved with action. Good feelings do not prove love. Action does." Examine your heart and your life now. In response to God's love shown through Christ's death, how are you/we called to love God and others?
