Club 456 Event Calendar Spring 2020

*All events are free and from 7-9pm @ the church
unless otherwise posted.*

Alien Hunter Feb 7th

Inspired by the *Men in Black* movie franchise, capture the flag, and everybody's it tag, this church-wide game is sure to be a hit! Teams will compete in fast-paced action as they try to out-maneuver their opponents, level up, and capture the prized, marble-sized Galaxies!

Build the Best (Bridge Edition) Feb 21st

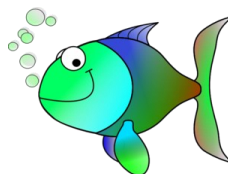

Teams will compete to build the strongest bridge out of a variety of craft materials (Popsicle sticks, glue, tape, toothpaste, spam...you name it) Then we will see which team's bridge can hold the most weight before...CATASROPHIC FAILURE!

The Game of Clue March 6th

A thief has made off with Tom's favorite little air-horn! Now it's up to you as a detective to solve the crime. Did they use the *Nerf Gun*, the *Silly String*, or the *Toilet lid* to pull off this heinous act? If you've ever played the board game *Clue*, then you already have a pretty good idea about how this night will unfold. But don't worry! It will still be fun for those who don't have a clue about *Clue* too. Now say that 10x fast!

To Bring: Prizes will be awarded for those who come dressed as classic *Clue* characters.

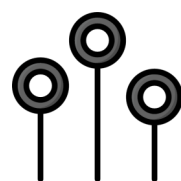

Commonwealth Pool Swim March 13th

It's that time again! As Dory from *Finding Nemo* would say, "Just keep swimming, just keep swimming..."

Where: Pick-up and Drop-off at the Commonwealth Pool
Drop-Off: 6:45-7:00 **Pick-Up:** 9:00-9:15

Cost: \$5.00 per person (Covers pool admission, locker, and a post-swim snack) **Parents must sign a waiver to allow their child(ren) to participate.*

Quidditch Tournament April 3rd

Not just a Harry Potter invention anymore, it's actually become a popular college campus sport! That's why we will be converting the church gym into one super-groovy Quidditch pitch. Nobody should "quaffle" at that!

To Bring: All the supplies for the game will be provided, but if you want to bring your own broom/costume from home, that would be pretty hilarious too!

Meatball Madness! April 17th

That's right! We are going to learn how to make meatballs with our very own, Doris "The Maiden of Meatballs" Minervini! Since our last Cupcake Decorating event was such a hit, this time we thought we would cater to a similar event, but instead of sweet, we are going meat! (**There will be a vegetarian option to make/taste too!*)

Cost: \$5.00 per person (A Bargain!)

**There will be a sign-up sheet in advance of this event, so be sure to reserve your spot!*
